Cocktail Masterclass & Dinner

Join us at Restaurant Fonda for an exclusive Cocktail Masterclass, where you will learn to craft signature cocktails under the guidance of professional bartenders. Following the masterclass, we will continue the evening with dinner in Fonda's vibrant Sala Rosa, enjoying a relaxed atmosphere and great company.

Walder Wyss is one of Switzerland's leading business law firms, with offices across the country and a strong international network. We advise national and international clients in all areas of commercial law and are always keen to connect with talented future lawyers.

If you are a Swiss law student or lawyer currently pursuing postgraduate studies at a university in London, Oxford or Cambridge, we would be delighted to meet you, share insights into our firm and learn more about your experiences and ambitions.

We look forward to an evening of cocktails, conversation and new connections.
