Nicolas Bopp is an associate in the Tax Team of Walder Wyss. His primary field of practice is national and international corporate tax law as well as advising individuals in all tax matters.

Nicolas Bopp speaks German, English and French.

Nicolas Bopp studied at the University of St. Gallen (Master in Law and Economics, 2020) and spent an exchange semester at the University of Lausanne. During his studies, he worked for a leading national startup supporter and as a research assistant at the University of St. Gallen. Before joining Walder Wyss as an associate, he worked as an intern at a law firm in St. Gallen as well as at the Cantonal Court of St. Gallen. He was admitted to the bar in 2022.
