noemie.villois@walderwyss.com

Noémie Villois obtained a Bachelor of Law and a Master of Law at the University of Lausanne, with a specialization in private estate and tax law. She also completed part of her legal studies at the University of Zurich.

Prior to commencing her traineeship, she gained several years of experience within the legal departments of Swiss banking institutions, operating both in Switzerland and internationally, notably in private banking. Her professional background further includes experience in wealth planning within a Swiss bank.

Noémie Villois works primarily in French, English and German. She also has a good knowledge of Italian and Spanish.
