Simon Henseler is an associate in the Information Technology, Intellectual Property and Competition Team. He primarily advises and represents Swiss and international companies concerning all aspects of data protection, information, and technology law. Simon Henseler regularly publishes scientific papers in his fields of expertise.

After studying law at the University of Fribourg and the University of Copenhagen (MLaw, 2016), Simon Henseler was admitted to the Aargau bar in 2018. Before joining Walder Wyss, he worked for the Center for Information Technology, Society, and Law (ITSL) and the University Research Priority Program Financial Market Regulation of the University of Zurich. Besides working as an attorney at law, Simon Henseler is writing a doctoral thesis at the University of Zurich in the field of Swiss and European data protection law.

Simon Henseler's professional languages are German and English. He also speaks French. He is registered with the Zurich Bar Registry and admitted to practice in all of Switzerland.

---
